Features

- Features an elegant arc spout with a 180-degree swivel function, ideal for both kitchen and bath applications.
- Standard configuration includes a flow-restricting spout for water efficiency, perfect for kitchen use.
- For bath applications, the included non-restrictive aerator can be easily swapped to allow faster water delivery.
- Handle options include natural Italian marble (Carrara, Rome Travertine, Marquina Black) and customizable selections (Verde Apli, Calacatta Viola, Arabescato), alongside a sleek Metal Handle.
- Equipped with a progressive cartridge for smooth water flow and precise temperature control.

Maintenance And Care

- Regularly check the mixer and connections for signs of wear or leaks.
- Clean the tap with mild soapy water to maintain its appearance, avoiding harsh chemicals and abrasive materials that may damage the finish.

- Dimensions are nominal measurements only.
