Features

- Equipped with a 1/4 turn cartridge for smooth and precise water flow control
- High-visibility hot and cold indicators for easy identification
- Designed for accessible bathroom applications
- Suits 0-24mm set-out from breach to finished wall
- Note: In-wall breach not included

Maintenance And Care

- Regularly check the mixer and connections for signs of wear or leaks.
- Clean the tap with mild soapy water to maintain its appearance, avoiding harsh chemicals and abrasive materials that may damage the finish.

- Dimensions are nominal measurements only.
