Features

- Premium SS316L Stainless Steel – Superior durability and corrosion resistance.
- Sleek & Modern Design – Enhances the aesthetic of any basin or bath setup.
- Wall-Mounted Trim Kit – Designed for seamless installation with mixer bodies.
- Rust & Tarnish Resistant – Ideal for long-term use in wet environments.
- Includes an additional non-restricting aerator for bath use.
- Neoperl Aerator – Provides smooth, splash-free water flow.

Maintenance And Care

- Regularly check the mixer and connections for signs of wear or leaks.
- Clean the tap with mild soapy water to maintain its appearance, avoiding harsh chemicals and abrasive materials that may damage the finish.

- Dimensions are nominal measurements only.
