### Features

- Premium SS316L Stainless Steel – Exceptional durability and corrosion resistance.
- Progressive Cartridge – Smooth and precise water flow and temperature control.
- Separate Packaging – Body & Trim Kits are packed separately for convenience.
- Modern & Minimalist Design – Perfect for contemporary bathroom aesthetics. Reliable & Long-Lasting – Built for high performance in wet environments.

### Maintenance And Care

- Regularly check the mixer and connections for signs of wear or leaks.
- Clean the tap with mild soapy water to maintain its appearance, avoiding harsh chemicals and abrasive materials that may damage the finish.

- Dimensions are nominal measurements only.
