Warranty

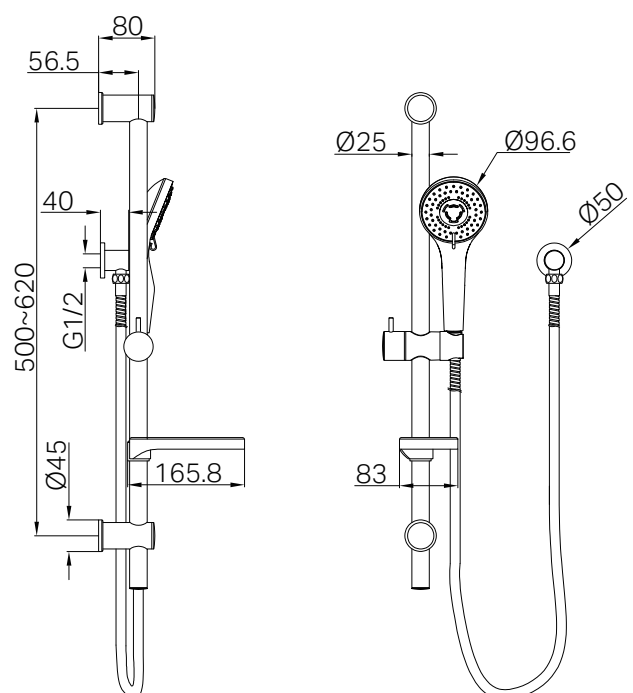

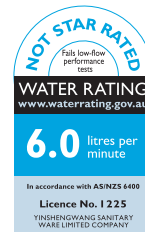

Features

- High quality solid metal rail with ABS bracket
- 3 function handset
- Exposure round rail with built-in water delivery point
- Strong and durable, satin-smooth hose
- Height adjustable handset slider
- Adjustable top pillar for easy retro-fit of most installations

Maintenance And Care

- Regularly check the mixer and connections for signs of wear or leaks.
- Clean the tap with mild soapy water to maintain its appearance, avoiding harsh chemicals and abrasive materials that may damage the finish.

- Dimensions are nominal measurements only.
