Features

- All Pressure Design – Suitable for all water pressures above 35kPa, ensuring a consistent and comfortable shower experience.
- Flexible Rail Installation – Adjustable mounting brackets allow for easy retro-fit installation.
- Separate Elbow Connection – Designed for convenient and hassle-free water connection.
- Classic & Reliable – Single-function handset with a timeless design for everyday use.

Maintenance And Care

- Regularly check the mixer and connections for signs of wear or leaks.
- Clean the tap with mild soapy water to maintain its appearance, avoiding harsh chemicals and abrasive materials that may damage the finish.

- Dimensions are nominal measurements only.
