Features

- Single function 316L stainless steel overhead hower 300mm overhead spray
- Rub clean nozzles
- Shower head thickness 5mm, creating a sleek minimal profile
- Operating weight should be considered with wall and ceiling arm installations

Maintenance And Care

- Regularly check the mixer and connections for signs of wear or leaks.
- Clean the tap with mild soapy water to maintain its appearance, avoiding harsh chemicals and abrasive materials that may damage the finish.

- Dimensions are nominal measurements only.
